LOCAL KILLER CAPTURED IN MASSACHUSETTS

EX-MARINE CONFESSES TO DOUBLE FARIA MURDER

Manuel Arruda Waives
Extradition; Will
Face Trial Here

Washington township authorities received word Tuesday of the capture of Manuel Arruda ex-marine, and alleged killer of Joseph Faria, Sr. and Joseph Faria, Jr., his step-father and step brother in a shocking double murder near Newark last September. Arruda was taken by police in Holyoke, Massachusetts.

Sheriff Driver left this week for the east to bring the killer back to Alameda county.

According to the dispatches, Arruda signed a confession of the murder and waived extradition. He will be brought to Washington township where he will be charged with the killing. Trial will be before the superior court in Oakland. The report contained no news of Frank Arruda, brother of the killer, who fled with him from the scene of the crime.

The killing occurred on the Faria ranch north of Newark on September 6, 1933, when Arruda, returning to the Faria ranch after several years' absence, discovered that his mother, wife of the elder Faria, had been dead for several months. Apparently thinking that his step father was in some way responsible for his mother's death, Arruda waited his chance, and shot the elder Faria to death. Just a few minutes before, Arruda had accompanied the younger Faria on an automobile ride and had fatally wounded him. Before dying, the younger Faria told authorities what had occurred. His description of the killer was in part responsible for the capture.

Arruda had fled the scene in the automobile belonging to his step father. The machine was found later in San Leandro.

PEA PICKERS MEET QUIETLY SUNDAY AT DECOTO

Unmolested by the authorities, more than 100 pea-pickers gathered Sunday on the Colone ranch, near Decoto. The meeting was quiet and orderly, it is said, with little or no exhortation to violence.

Although the rumored wage demands of the pickers are somewhat higher than the growers could possibly pay, there is no fear of agitation and pitched battles, as there was last year.

According to officers, the pickers will be let alone as long as there is no violence of any kind in the fields. Pickers who are willing to work at the wages offered this season will be given full protection.

Attitude of the majority of the pickers at the Sunday meet was one of general apathy. If the attitude is indicative of the general temper, the season should progress without undue disturbance.

MARCH 30 SET FOR SCHOOL BOARD ELECTIONS

Two Trustees of the Washington Union high school and one on each of the several grammar school boards in Washington township will be elected at a poll on March 30, according to word received this week.

Those of the high school board, whose terms expire this time are John Oliveira, of Centerville and Andrew Logan, of Alvarado.

For those who intend to announce their candidacy for the coming vacancies, word is issued that March 20 is the last day for filing. Logan and Oliveira have not stated as yet whether they will enter their names for reelection.

The following trustees on the various grammar school boards will have served their allotted time: Alvarado, Mrs. Ira Robie; Centerville, Allen G. Norris; Decoto, Harry Searles; Irvington, H. Weston; Mission San Jose, E. Callaghan; Newark, Fred Muller; Warm Springs, A. Vargas.

ALLEGED FOOD STORE BURGLAR TAKEN LAST WEEK AT SANTA CRUZ

Admits Niles MacMarr
Store Theft To
Authorities

With the robbery of the Niles MacMarr store alleged to have been his first offense, John Bisco, twenty-one, of Illinois, was taken by Monterey police early last week when he was found with burglars tools in his possession.

Examination by authorities is said to have revealed that Bisco was also the perpetrator of a food store theft in Santa Cruz. He is being held for trial before the superior court there.

Deputy Sheriff Hugo Radbruch and Constable O. W. Ebricht were summoned Monday to question Bisco concerning the Niles robbery on January 6. Bisco confessed the crime, Radbruch said.

According to his confession, Bisco entered the Niles food store through the front door, which he forced open, and filled a small sack with food stuffs. After emptying the till, according to the statement, Bisco walked to the Niles "jungle," where he cooked some of the food. He left immediately after for San Jose.

Deputy Sheriff Radbruch said that a hold has been placed on Bisco charging him with the Niles theft. If he is acquitted in the southern courts he will face

TAXPAYERS SHOULD BE ACQUAINTED WITH FACTS

New tax laws, and alterations in the old, will make it necessary this year for taxpayers to acquaint themselves with new facts concerning exemptions, payments and rates, according to deputy Assessor George.

Some of the points on which taxpayers should be informed are: All assessments are levied at 12:00 o'clock noon on the first Monday in March each year.

All taxpayers are required to file a statement each year between the first Monday in March and the first Monday in July, preferably in March, April or May.

Failure to file a statement subjects the taxpayer to an arbitrary assessment.

Personal property taxes unsecured by real estate are due and payable on demand at the assessor's office, 515-5th street, Oakland.

Claims for exemption, (householders and military) must be applied for at the office of the assessor each year at the time of filing statement.

Taxpayers who desire information on any points are asked to get in touch with the assessor.

Chris Keller spent part of last week visiting his daughters in Oakland.

DISTRIBUTION OF FEDERAL FOOD TO NEEDY IS RESUMED

Frank Nunes In Charge of
Township Station at
Rose's Garage

Following a change in the plan of food distribution to the needy, in which the federal government takes direct charge of the source of supply, the Niles food distributing station, with Frank Nunes in charge, has resumed activities.

Heretofore the needy received food orders which were filled at privately owned grocery stores, the proprietors being compensated by the government. The new arrangement employs the actual distribution of government-owned food. Salt pork, smoked pork, butter, eggs and dried apples are being distributed from the Niles station, located in Rose's Garage, at Niles. All of the food is of excellent quality, Nunes says.

The Federal Emergency Relief Administration stores the allotted county quota of food in the warehouses of the Alameda County Emergency Relief Commission in Oakland. Local relief groups, such as the Hayward center, investigate the needs of the poor who make application for food. Before receiving food from Nunes at the Niles station, those who apply must show their cards, stating they have been adjudged worthy by Miss Lillian McHoul, director in Washington township. The Niles station serves the entire township.

Nunes stated that the station is open only on Mondays and Fridays between the hours of 1:00 and 4:00 in the afternoon.

UNIVERSITY CLUB ADDRESSED BY TWO FAMOUS ENGINEERS

L. Decoto, '01, Tells Of
Jungle Experiences
In New Guinea

Alumni of the University of California who have made their home in Washington township, last night gathered at the St. James Memorial hall in Centerville to hear two internationally famous engineers.

The meeting was under the direction of the University Club of Washington township.

Robert Sibley, alumni association executive secretary, addressed the group. Sibley, an electrical engineer, was recently a scientific envoy to a world meeting of engineers held in Sweden. Sibley had previously stated his satisfaction in the local club. He stated that active units similar to the one in Washington township, were of great importance in maintaining interest in the Alumni Association.

Louis Decoto, of the class of '01, and a mining engineer of world renown, gave an illustrated talk on his experiences in New Guinea, where he took an active part in opening new placer mines in the jungle. Decoto told of the invaluable service rendered by airplanes in carrying heavy materials in to the mine sites. His descriptions of jungle conditions and the natives were of great interest.

Following the dinner, which was served at 7:00 o'clock, the group sang California songs.

Clarence Crane was a visitor in Pleasanton Sunday evening.

JOHN PARRY PASSES AT HOSPITAL AFTER WEEKS OF ILLNESS

Native Of Wales — Had
Lived In Niles
Since 1906

Stricken with paralysis several weeks ago, John Parry, Niles businessman, passed quietly away Tuesday morning at an Oakland hospital. Previous to his final illness he had not been in good health.

Parry's passing will leave a vacancy in Niles that will be hard to fill. He was an exceptionally good blacksmith, and his work at the forge was regarded as one of the last examples of a rapidly vanishing technique.

Parry, a native of Wales, came to the United States many years ago. He took up residence in Niles in 1906, and had made his home here since that time. He was fifty-two years of age at the time of his death.

He was a member in good standing of the Niles I. O. O. F. No. 382.

Parry is survived by his wife, Mrs. Catherine Parry, of Wales. Three sons—John Alun, Thomas William, and Evan Henry Parry, also survive him; also three brothers—Thomas, Edward and Evan Parry—all of whom live in Wales.

Funeral will be held tomorrow from the funeral parlors of Sorenson Brothers, at 43 Castro street, Hayward. Interment will be in the Cypress Cemetery at Decoto.

Ensign Allen M. Shinn, of the U. S. S. Tennessee, will spend several days with his parents, Mr. and Mrs. J. C. Shinn, this month when the fleet anchors in San Francisco bay, previous to a trip to the east coast.

SPRINGS CROPS GATHER MOMENTUM WITH RAINS

Increase Over Rainfall For
Last Year Still
Continues

Chances for rainfall reaching normal this spring were strengthened early this week when heavy rains swelled the season's total to nine and 66 hundredths inches. Continuous precipitation from Sunday morning until Monday added one and 41 hundredths to the total. Rainfall during the eighteen hours beginning at noon Sunday was the heaviest since January 1.

For the second time since New Years Day, a sizable stream is cascading beneath the road bridge across the Alameda creek south of Niles. Flow started Friday night and continued with swelling volume until Tuesday morning. Farmers who pump directly from the creek channel have started irrigating operations.

Far outstripping last year's growth, peas throughout Washington township are springing up rapidly. Some of the early fields will be ready for harvest in a few

Mrs. Dan Marble will return from a two week stay in Los Angeles either tomorrow or Saturday. Mrs. Elizabeth Cameron, of Salt Lake City, who accompanied her will proceed on to Santa Cruz for a two month stay there.

ADVANCE IN SCHOOL METHODS OUTLINED TO CHAMBER MONDAY

Grammar School Meet
Attracts Over 40 Mem-
bers; Ladies

Progress made in school methods and instruction since the days when they were students, was shown to the members of the Niles Chamber of Commerce and their wives Monday noon, when the civic group met at the Niles Grammar school as guests of the Niles Parent-Teachers' Association.

More than forty-five attended the meet, which was held in the school cafeteria. The lunch was prepared by the members of the association.

At the start of the meeting, Principal E. Dixon Bristow, welcomed the assemblage in the name of the school, and stated his pleasure in their attendance. Bristow asked that interested individuals call at the school at any time.

To show a random cross section of the work being accomplished in the reading and speech arts in the school, from the primary to the upper grades, the teachers had prepared a series of short reading and recitations which were given by the children. Previous to the program, Principal Bristow explained the purpose and result of the modern methods, stating at one point that the present day children sometimes finish from seven to twelve readers in one term. Bristow explained that two, or at the most three, readers was considered an excellent average two decades ago. Bristow outlined the foundations of

word building as they are taught to the children. The first skit, put on by children of the first grade under the direction of Miss Curran, illustrated the correct use of vowels in speech.

A reading by children of the high first grade was next on the program. This second reading illustrated the great advancement made by very young children. Miss Enos directed the reading. The next reading, by third grade pupils, was an example of the work done by children half way between the primary and upper grades.

A discussion of a modern topic, that of the recent cancellation of the air-mail contracts, was given by Ed. Silva, head of the current events talks in the sixth grade. Young Silva's speech control, and his choice of words would have done credit to many a business man. The boy's knowledge of his subject was far less sketchy than that of many of his elders.

The program was concluded by a recitation of "The Last Leaf," by several seventh grade girls.

Principal Bristow and Chamber President Jones made a few brief concluding remarks, after which the group adjourned to the front yard where they witnessed the children march from the buildings in an orderly fashion when a practice fire-alarm was sounded.

At the beginning of the meet, John Bercham, student body president, told the group of the community organization of the school. His talk was followed by a skit in which four tots illustrated the correct use of toothbrush, comb and soap.

MRS. M. MOSEGAARD ANSWERS SUMMONS YESTERDAY MORNING

Was Among First To Recognize
Scenic Value
of Niles Canyon

Niles suffered the loss of another old time resident yesterday morning, when an illness of three weeks ended in death for Mrs. Marie Mosegaard, seventy-year-old woman. She passed away at 4:00 a. m.

Mrs. Mosegaard was a native of Denmark. She came to America in the latter part of the last century. She had made her home near Niles for more than thirty years.

With her husband, Peter, Mrs. Mosegaard can be said to be the first to ever realize the scenic and recreational values of Niles Canyon. She and her husband operated the Stonebrook Park. Organizations from many bay cities have made it their recreational headquarters for many years.

Mrs. Mosegaard is survived by her husband, Peter and by two sons, Fred and Ferdinand, both of Niles. There are three daughters—Mrs. C. E. Emery, of San Diego; Mrs. Wesley White, of San Jose, and Miss Marie Mosegaard, of Oakland.

Funeral will be held Saturday at 2:00 o'clock from the Sorenson Funeral Parlors, on Castro street in Hayward. Interment will be at the Lone Tree Cemetery, at Hayward.

Dehorning Dairy Cattle Is Urged

Specialist Cites Method of Operation on Animals When Young.

By H. A. Herman, Department of Dairy Husbandry, University of Missouri, WNU Service.

For the ordinary dairy herd the animals should be dehorned. The horns serve no useful purpose and are responsible for frequent injuries—often serious, and especially so to the udder. Dehorned cattle may be housed in a much smaller space, and when they are fed and watered together in the ordinary manner there is a material saving in labor. Horns on a bull are extremely dangerous. The only case where it is advisable not to remove the horns is that of animals which are likely to be used for show purposes.

The best method of dehorning is to use caustic potash on the extremely young calf. This may be obtained in stick form at any drug store.

To use this method successfully, the calf's horns should be treated with caustic potash as soon as the buttons appear, which will be from seven to fourteen days of age. The small buttons are the future horns and may be easily located by the fingers. The long hair is clipped away from the buttons with an ordinary pair of scissors or shears. A circle of grease should then be placed around the horn, making a considerable ridge above the eye so that none of the liquid containing caustic potash will get into the eye. The stick of caustic potash is then moistened a trifle and rubbed vigorously on the small horn until the flesh is considerably reddened and at the point of bleeding. It is not advisable to continue the application after bleeding starts. If sufficient caustic potash has been applied, a dent will be felt in the skull after a few days and no horns will ever develop. Care must be used to avoid getting too much water on the caustic potash, or it may run down the sides of the animal's head, taking off hair and even getting into the eyes, with serious results.

Worms Stunt Growth of Both Pigs and Lambs

The idea of raising pigs on clean ground—the so-called McLean system—is a good one. By following this system, one can practically be sure that his pigs will be free from worms at weaning time. The same is true of lambs. If one can grow lambs on ground that has not been grazed by sheep for several years, worm infestation can be largely avoided.

While we have advocated this system for hog, lamb and poultry raising for many years, comparatively few farmers follow it. Using clean ground in raising live stock not only prevents worm infestation, but it also avoids disease infection of many kinds. Keeping live stock quarters free from parasites and disease is ideal but difficult, and as a matter of fact, never is carried out except to a very minor degree.

Worms are not difficult to get rid of if proper attention is given to the matter. Worms stunt growth and reduce the vitality of pigs and lambs, and thus render them more susceptible to disease. Young stock should be kept as free from worms as possible, and a good time to drive out the worms is at weaning time or as soon thereafter as possible.—Wallace Farmer.

Johnson's All-Stars Defeat Chinese Team

Marking one of its closest contests of the season the Johnson's All-Stars defeated the Chinese Y. M. C. A., of San Francisco, by a close score of forty-seven to forty-six at the Amador gym Tuesday evening of last week.

This was one of the most exciting games played at the Amador gym this year and kept the audience excited throughout the game. The game was speedy and clean throughout. Good passing by both teams was displayed. Both teams played a good offensive game but were not so good on the defense.

Soito and King played a good game at guard. Azevedo and George were hot on making baskets. Azevedo was high paint man with twenty points; George followed with sixteen, Silva, eight, King two and Soito one.

The score at half time was thirty-one to twenty-one favoring the All-Stars, however, they let down during the second half and let their opponents score on them until they were but one point ahead when the final whistle blew. The Chinese boys were the fastest team the All-Stars have competed with this year.

The lineup was George and Azevedo, forwards; Silva, center; King, Soito and E. Vervais, guards.

Tonight the Johnson's All-Stars will motor to Oakland where they will meet the Hazel Atlas Glass team at the Castlemont high school. Monday evening they will play the Alameda De Molay chapter at the Amador gym.

In a game played before this one the Amador Varsity held the Meadowlark Dairy boys to a eighteen to eighteen tie score. This game was well played with good work being displayed by the Amador guards.

PLEASANTON SWINE PRODUCERS MEET AT HAYWARD

Arrangements to have hog raisers of the Pleasanton township participate in the federal plan to curtail pig production for marketing purposes twenty-five per cent in return for a five dollar a head government payment made on the number of hogs remaining, were discussed at a meeting held in Hayward last week. The meeting was presided over by County Farm Advisor T. O. Morrison.

According to tentative plans, any rancher having two or more sows wishing to reduce the number of pigs marketed is eligible to make out a temporary contract. A temporary committee has been appointed to pass on contracts submitted before they become final. Farmers will not be bound by the agreement until they sign the final contract.

Funds for the payments made farmers will be derived from a processing tax laid on slaughterhouses, the tax eventually being paid by the consumer.

Pleasanton P.T.A. Secures Large Quota In Membership Drive

Members of the Pleasanton Parent-Teachers Association held a Founder's Day program at the Pleasanton grammar school last Wednesday afternoon the affair honoring Mrs. Phoebe Hearst, former resident, and one of the founders of the National P.T. A. movement.

Mrs. Lee Wells read a poem honoring Mrs. Hearst. The history of the Pleasanton P.T. A. was given followed by a candle lighting ceremony.

A business meeting was held following the program. It was reported at this time that the Pleasanton Parent-Teachers Association now had one hundred twenty-seven members, as the result of a membership drive which was conducted recently.

William Hall, president, wishes to thank the women in the community for their interest and co-operation given in the drive. The class having the most mothers as members of the P.T. A. will be given a party.

Funeral Services Were Conducted For Sunol Woman

Funeral services were conducted last Tuesday afternoon at the Pleasanton Presbyterian church for Mrs. Caroline Augusta Given, of Sunol, who passed away at the home of her daughter, Mrs. Roy Bollock, Saturday afternoon.

Mrs. Given was born in Utica, Michigan, eighty-five years ago. She came to California with her brother by the way of the Isthmus of Panama in 1867. She was the foster mother of Mrs. Bollock, the later being the daughter of her husband's nephew. Mrs. Given lived with Mrs. Bollock for the past fifteen years.

She was a member of the Congregational church in Weaverville and later of San Francisco. She was a member of the St. John's chapter of the Eastern Star, of Weaverville, for fifty years of which she held a Jewel pin.

Services were conducted Tuesday afternoon at the church by Rev. R. C. Cross and under the auspices of the Pleasanton Chapter of the Eastern Star. The funeral arrangements were under the direction of the Graham Mortuary. Her remains were cremated at the Chapel of the Chimes. The ashes were sent to Trinity county, California, where they will be buried near her husband, son, and daughter.

Mrs. Mona Holm, of Livermore, sang "Crossing the Bar," and "The Beautiful Isle of Somewhere" in connection with the funeral services.

She is survived by her foster daughter, Mrs. Roy Bollock, of Sunol, and a son, William Given, Jr., a sister Mrs. G. O. Williams, of Whittier.

The casket bearers were: J. H. Rankin, of Sunol; Herman Kollin, Sam Glassey, Layton Hanifen, V. Bernard Johnson, and A. F. Andersen, of Pleasanton.

PLEASANTON DRUIDS HOLD SOCIAL MEET

Members of the Druids Circle were entertained by the members of the Druids Grove, of Pleasanton, at a joint meeting held at the Odd Fellows' hall last week.

The first series of a Pedro tournament to be conducted by the Druids Grove was held. Two more tournaments will be held on the third Monday of each month. The winner of the tournament will be honored with an award for his skill. George West, of Pleasanton, is chairman of the affair.

After the members enjoyed playing cards refreshments were served with the men acting as hosts.

Farm Bureau Members Take Over Milk Inspection Laws

That the Alameda county board of supervisors will finance the milk inspection now paid by farmers is indicated by action taken at a meeting of the Alameda County Farm Bureau held one day last week. Several Pleasanton dairymen attended and voiced their approval of the plan.

It was pointed out by local milk producers that the inspection is desired by the consumer and not the producers, and that therefore the latter should not be compelled to pay for it.

Another change in the present milk inspection law suggested is that it provides that permits be revoked by a board composed of one producer, chosen by the person complained of, one member of the farm bureau, selected by the president, and the county health officer. At present permits may be revoked by the health officer alone.

PLEASANTON WOMEN SEW MONDAY ON RELIEF WORK

A number of members of the Pleasanton Neighbors of Woodcraft lodge gathered at the home of Mrs. William Sylvia Tuesday of last week. They spent the afternoon sewing.

The articles made will be sent to the Neighbors of Woodcraft home at Riverside.

Public Schools Week To Be Held Starting on April 23

Plans for the public schools week to be held in the last week of April commencing on the 23rd were discussed at a committee meeting held at the home of Mr. and Mrs. Claude Smallwood recently with Stanley Smallwood, chairman, presiding.

Harry Tripp, musical instructor of the Pleasanton township school, was appointed to have complete charge of a program to be presented on Wednesday evening April 25. On that evening a short program will be given by the Sunol Glen grammar school, Dublin grammar school, Antone school, the Pleasanton grammar school and the Amador Valley high school.

During the week beginning April 23 and ending the 27th exhibitions of the different varieties of work being done at the schools will be held at each of the respective schools. The public will be invited to visit the schools on that week.

The purpose of public schools week is to bring the public into closer relation with the work of the schools.

Those who attended the committee meeting were: Stanley Smallwood, chairman, Sam Glassey, Mrs. William Hall, Hans Hansen, Ray Ewart, Mrs. Robert Cope, Harry Tripp, T. H. Silver, V. Bernard Johnson, E. O. McCormick, Mrs. Gene Bertrand, of Pleasanton; and the Misses Leona Johnson and Lillian Jensen, instructors at the Dublin school.

Pleasanton 4-H Club Plant Tree In Livermore

Conducting their third tree planting ceremony members of the Pleasanton boys and girls 4-H clubs planted a Chinese Sycamore tree at the Convent Catholic school in Livermore Tuesday afternoon of last week.

Two of the 4-H club members attend this school. They are Billy and Bobby Dickenson, of Pleasanton.

The other two tree planting ceremonies were held in Pleasanton. One at the Amador Valley high school last fall and another at the Pleasanton grammar school Thursday in connection with the Founder's Day program.

This tree planting is part of the work required in connection with the 4-H club.

SUNOL GIRL IS INJURED IN AUTO ACCIDENT

Miss Nadine Wisely, of Sunol, received severe cuts about the face and limbs in an accident which occurred Thursday evening at about eight o'clock at the intersection of Angela and Main streets in Pleasanton.

The severe injuries prevented Miss Wisely from taking her leading part in the operetta "Lantern Land," which was being presented on that evening at the Veteran's Memorial building by the Amador Valley high school.

According to reports made to the city officers by Gomes, he stated that he was watching a car which was coming in the opposite direction attempting to make a U turn at the intersection. He stated he did not see the Wisely car coming from the opposite direction from which he was traveling and he started to make a left hand turn at which time he struck the Wisely car. It was raining at the time of the accident which made it difficult to see and the road was slippery.

Both cars were badly damaged. The Wisely car was driven by Jack Wisely who was accompanied by his sister, Nadine, who was on her way to the operetta, and just returning from the beauty shop.

The Wisely car was traveling toward Sunol and Gomes was traveling in the opposite direction.

Amador Dons Are Defeated By Emeryville High

The Amador B team gave the Emeryville five a good run for their slim victory in a close contest held at the Amador Valley high school gym Wednesday evening, of Pleasanton. The final score was Emeryville 16 and Amador 14.

The game was very close from beginning to end. Neither team was more than two points ahead at any time during the game. During the last quarter the score was tied at different intervals. It was in the last few seconds of the game that an Emeryville man sunk a basket which broke the fourteen to fourteen tie and gave the visitors the victory.

Good guarding was displayed by the Dons.

The A team was defeated by a score of forty-one to three in a game following the B team contest. The Dons were playing against a team which was almost twice their size. They had an exceptionally tall center who got control of the ball at every tip off. Arnold Abrott and Ed. Dolstra played a wonderful game at guard. Dutra who had been absent from school all week was off form and couldn't make shots accurate, which accounted for the low score of the Dons.

4-H CLUB GIRLS TO HAVE BRACELETS OF SILVER

The second year group of 4-H club girls, of Pleasanton, met at the home of Mrs. Charles Florio recently. The girls accomplished a great deal on their sewing projects.

They started stenciling bracelets to be made of German silver. At a business meeting held previous to the sewing period the girls recorded in their minutes having cleaned the hats for the members of the Pleasanton Junior Traffic Patrol and the clothes cleaning demonstration held on the first of the month at the social hall of the Pleasanton Presbyterian church.

There were eight girls present. Following the meeting a Valentine party was enjoyed. Mrs. Florio served refreshments and decorations were carried out in a Valentine motif.

Township Register prints all standard and special office forms.

Colonial Tea Is Held Honoring G. Washington

A large number of people attended the Colonial Tea held at the Pleasanton Veteran's Memorial building Thursday afternoon by a circle of the Pleasanton Ladies' Aid Society under the chairmanship of Mrs. Mary Stovall, of Pleasanton.

A program appropriate to George Washington's birthday was presented. A number of song selections were rendered by an ensemble of Pleasanton women. Mrs. Mona Holm, of Livermore, sang a number of solos.

A violin solo was rendered by Miss Thelma Ferrario, of Pleasanton, accompanied by Miss Madeline Jacobsen. Mr. and Mrs. George Jones, of Palo Alto, radio artists of the N. B. C. and Mrs. Harry O'Brien rendered a number of vocal selections.

A short one act play was presented by the ladies of the Pleasanton Masquers club.

Those taking part were as follows: Mary Stovall, Mrs. Wynne; Dorothy Leonard, Lady Augusta

Cline; Eleanor Rathke, The Honorable Clarissa Courtenay; Mabel Howell, Mrs. Cynthia Ravenscroft; Susan Tripp, Mrs. Archibald Throckmorton; Alice Layton, Janet Wynne; and Madeline Jacobsen, March Gordon.

Following the program light refreshments were served. Those working on arrangements for the affair were as follows:

The Circle Committee—Mrs. Mary Stovall, chairman, Mrs. C. P. Beck, Mrs. Harry Tripp, Mrs. E. O. McCormick, Mrs. William Schween.

Entertainment Chairman—Mrs. Harry Tripp.

The Reception Committee—Mrs. Chas. Gale, Mrs. Edith Cope, Mrs. Bruce Pickard, Mrs. Chas. Graham, Mrs. J. B. Lee, Mrs. Claude Smallwood, Mrs. Thomas Silver, Mrs. Randolph Apperson.

The Table Hostesses—Mrs. Chas. Bruce, Mrs. Joe Arendt, Mrs. A. Zwisler, Mrs. E. C. Apperson.

The Refreshment Committee—Mrs. E. C. Beck, chairman, Mrs. William Schween, Mrs. E. O. McCormick.

PLEASANTON 4-H CLUB ARE HEARD OVER KPO

Two members of the Pleasanton 4-H clubs were interviewed over station KPO recently on 4-H club work in connection with the California Incorporated program.

The two interviewed were Bob Casterson, son of Mr. and Mrs. A. B. Casterson, and Miss Ann Ruth Hanifen, daughter of Mr. and Mrs. Layton Hanifen. They were interviewed by J. Pierce, who asked them questions pertaining to their 4-H club work. Young Casterson gave account of his calves and chickens he is raising and Miss Hanifen spoke on the sewing and other work being done by the 4-H club girls. They were on the air for about twelve minutes.

PLEASANTON BRIDGE CLUB MEETS WITH MRS. C. BRUCE

Mrs. C. A. Bruce entertained the members of the Pleasanton Bridge club at her home recently.

The women enjoyed playing bridge after which refreshments were served by the hostess.

Those winning honors in bridge were: Mrs. A. B. Pickard, Mrs. Edith Cope, and Mrs. Charles Graham. Mrs. Bruce's guests aside from members of the club were Mrs. Charles Graham, Mrs. Frank Howell, and Mrs. Cunningham, all of Pleasanton.

ALVARADO DEFEATS MISSION FOR TITLE

Alvarado defeated the Mission Firemen Sunday by a score of 11 to 10. The game was played at Irvington.

The leading hitter of the day was Muniz of the Firemen who collected four hits in five times at bat. Silveria was next with three hits in four times at bat. Degermark, pitcher for Alvarado, was touched for seventeen hits. He struck out six men. The leading hitter for Alvarado was Roderick, who got three hits in four tries at bat.

Silveria and Telles, pitchers for the Mission Firemen, were touched for fifteen hits. They struck out six men. Carter and Moore unmired the game.

Driver Dozes; Car Plows Up Fence Late Friday

Falling asleep over the wheel of his car while returning from Oakland Friday night almost ended in disaster for John O. Kleine, of Centerville, when the machine plunged through a fence in front of the Roderick home south of Centerville, uprooted a tree, and finally came to rest against another.

Kleine suffered slight cuts about one arm. His wife, who was riding with him at the time was unhurt. The car was not badly damaged.

Mrs. Frances Luiz and daughter, Mrs. Florinda, Gonzales, were visitors in San Jose one day last week.

EXECUTIVE COMMITTEE FOR FAIR NAMED BY LIONS TUESDAY NIGHT

Aid of Other Towns To Be Sought In Planning Fair

With reports of the investigating committee having cleared away all doubts as to the outcome of the proposed Lions Township Fair, slated for the first part of June, the Lions went to work in earnest Tuesday night.

An executive committee was appointed to work out details, and to lay the foundations. Those appointed were Chick Santos, chairman; Dr. G. S. Holman, Judge A. G. Norris, Joe Jason, H. De Leon, (secretary), Frank Madruga, and A. J. Rathbone.

The former committee, Dr. Holman, Judge Norris and A. J. Rathbone, had corroborated Santos contention that the time was apt for the undertaking.

Santos stated that two men in each community will be appointed to cooperate with the Lions in arranging for exhibitors. He added that the Lions are eager to be helped by other township organizations. All suggestions will be welcomed.

Centerville Natives Attend Hayward Meet

A large delegation from the Washington Parlor, Native Sons of the Golden West attended the open meeting of the Eden Parlor at Hayward Tuesday night. The talk of the evening was delivered by Harry Bradford, Hayward postmaster. He addressed the gathering on the subject of early California history. A varied program of music and vaudeville filled out the evening.

COUNTRY CLUB TO HEAR ADDRESS ON GERMAN THEATRE

Miss Arrowsmith, Drama Student To Tell Of New Art

Members of the Country Club will receive first hand information on the German theatre Tuesday afternoon when they hear Miss Eloise Fessenden Arrowsmith, of Oakland, who has recently returned from Munich.

Miss Arrowsmith completed her training for the stage at the latter city. She will address the clubwomen on theatre technique and will tell of her experiences in theater productions in Germany under the Hitler regime. Miss Arrowsmith will supplement her talk with a series of dramatic readings, and a dance.

Miss Arrowsmith, who is a relative of Dr. Milcent Sainn, of Niles, studied for two years in Munich under Fritz Basil and for the same length of time in Berlin under Meinhardt.

DON BATES NAMED NIGHT PATROLMAN FOR CENTERVILLE

Former Alvarado Citizen Chosen By Lions Last Week

Recommended by the Lions Club Night Patrol Committee and by the board of fire commissioners, Dan Bates, former Alvarado night watchman, last week took up his duties as night patrolman for Centerville.

The committee, members of which were Captain Hansen, Frank Madruga, Judge Norris, Fred Rogers and Constable Tom Silva, stated that Bates was amply equipped by insurance, thus eliminating the danger of liability in case of injuries sustained while he is on duty.

The selection of Bates came last week after the committee had made an investigation of possible officers for the task. In view of his good record in Alvarado, Bates was chosen. He plans to make his home in Centerville.

PEDRO TOURNAMENT SLATED FOR 3 K. C. MEETS

Beginning on March 8, Pedro, the grand old game, will take up the time of the Centerville council Knights of Columbus, when the first annual tournament gets under way. The elimination will continue for three meetings.

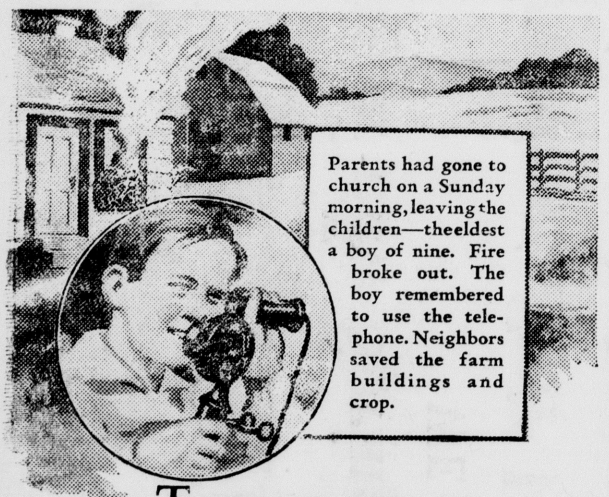

At the conclusion of the final round the Knights will hold a smoker and general get-together. All meets are slated for the Parish hall. Any members who are interested in entering the contests are urged to get in touch with George Coit, tournament committee chairman.

S.P.R.S.I. To Nominate Officers At Meet Today

Knights of Pythias to Hear Bible Talk At Next Meet

In keeping with the annual custom and the laws of the Knights of Pythias, Grand Chancellor, Wm. Handy, has proclaimed the week beginning February 25 as Bible week. The Centerville lodge will hear a talk on the Bible by a prominent member of the order at the next meeting.

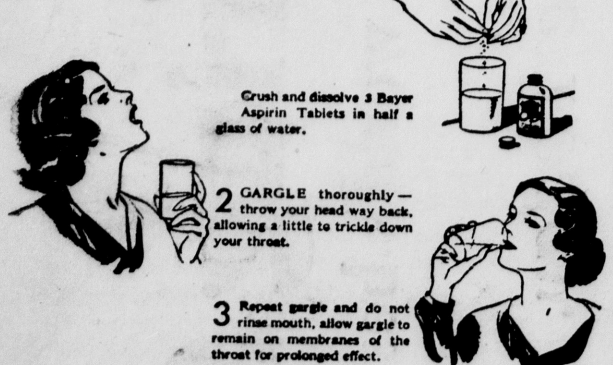

Parents had gone to church on a Sunday morning, leaving the children—the eldest a boy of nine. Fire broke out. The boy remembered to use the telephone. Neighbors saved the farm buildings and crop.

THE TELEPHONE is helpful on farm or on ranch in countless ways. By its means you reach neighbors, break down isolation. Rain or shine it serves you at small cost—and how much a single call may mean!

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good.

Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels back to regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go. Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

SANITARY DISTRICT ELECTION TO BE POSTPONED

Economy measures enacted at the last legislature have eliminated a number of small election districts throughout the various districts, according to reports received this week. Election of directors for the Niles Sanitary district, scheduled for March 6, will be postponed until the first Monday after the second Tuesday in September.

The legislation responsible for the change came as a result of recommendations made by a number of the smaller districts, where interest in the elections was small. Those serving on the boards do so without compensation and their retention for a longer period will be accepted without criticism, it is said.

Directors whose names were to have appeared on the March ballot are: H. B. Rathbun, Leon Vieux and Thomas Elliot.

Mrs. R. Rose Honored At Shower Wednesday

Mrs. Rosie Rose, of Niles, was honored last Wednesday afternoon at a baby shower held at the home of Mrs. Helen Alameda. Twenty-one attended.

ACCURATE MARKER INSURES FULL ICE WEIGHT TO HOMES

In order to eliminate the possibility of misinterpretation of a widely published statement concerning the weight of delivered ice, R. J. Bally, president of the California Association of Ice Industries, recently communicated with J. S. Casey, by whom the statement was issued.

According to Bally, the article, containing Casey's formula for checking weight of delivered ice, gave as a reason for the precaution the statement that "the housewife may know if the ice man is cheating." To clear up any suspicions that may have arisen Bally explained the method used by the ice companies to insure full weight.

By the "automatic scoring method," the blocks of ice as they come from the freezing tank are placed in an accurate machine which cuts grooves at the proper place for correct weights. Five percent is allowed for meltage, which insures full weight, or better, Bally stated.

Miss Gertrude Ellsworth returned last week to her work at the University of California after spending a week-end with her parents, Mr. and Mrs. E. A. Ellsworth.

An Invitation TO EVERY FARMER WHO OWNS A PUMP

▲ If your pumping plant is electrically driven and connected to P. G. & E. lines—stop right now and ask yourself this question: "Do I really KNOW the operating efficiency of my pump?"

Only if your plant has been tested by a qualified pump engineer during the past year or so can you answer "Yes." Scores of pumping plants in our territory have been tested, reconditioned and tested again with results as startling as those shown on the chart below. So you see, IT PAYS TO KNOW.

▲ Experts estimate that the great majority of California pumping plants are not more than 40% efficient. Your own plant may be one of these.

Don't wait until a serious break-down occurs. These break-downs are nearly always preceded by a long operating period in which the pump uses excessive power and wastes money every hour it operates. An electric pumping plant has no real competitor if it is kept in good condition. So to help our farmer-customers keep their pumps' efficiency UP and their irrigation costs DOWN, we are offering a FREE Pump Test Service.

You may apply for this service at your nearest P. G. and E. office. We urge that you act today.

ALVARADO MERCHANTS NEW CHAMPIONS OF SOUTH COUNTY LEAGUE

Victory Over Mission San Jose Clinches Title for Alvarado Team

The Alvarado Merchants won the championship of the southern Alameda county league when they scored a 11-10 victory over the Mission San Jose team at Irvington Sunday.

Even though the rain came down heavily both teams were determined to play to a finish if they had to swim around the bases to do so.

In the last half of the ninth inning, Mission was leading by a score of 10 to 8. Roderick, centerfield for Alvarado, started with a nice clean double. Amaral walked and Correia, who pinch-hit for Degermak, was hit with a pitched ball, making three men on base. Vargas singled, scoring two men. He went to second on an overthrow home. Amaral, the old trusty of the Merchants, hit a long fly to centerfield, scoring the winning run.

It was an exceptionally fine thing for a team with so many

young players to have them win their first gold ball, Stanley Roderick, Hubert Jacinto, Manuel Amaral, Frank Vargas, Edward Lebon, Joe Correia and Anthony Rivers are all mostly in their teens and some recently out of high school. Degermak, the pitcher, was the only pitcher in the league who pitched every inning of every game. He more than earned his reward. Much credit for winning the championship is also given to Joe Dutra on third base, who did some mighty fine fielding and hitting. Lewis Amaral, who has been playing ball for years, came through every time he was badly needed and Pop Jacinto, the manager, said he wasn't so glad because he won another championship, as he already had won four, but he was glad to give a bunch of young fellows a good chance to become better ball players.

The team will be presented with a trophy and each member with a gold ball engraved with his name, in the very near future on the state of the Alvarado Theater.

Mrs. May Alexander, Mrs. Anne Flores, Mrs. May Roderick and Mrs. Lenora Silva attended the annual communion of the Y. L. I. at the Corpus Christi Catholic church in Niles Sunday morning.

SCOUT TROOPS ARE GIVEN NEW MEMBERSHIP AWARD

As an award for increasing the membership of their scout troops twenty-five per cent during the last year the Pleasanton, Sunol, and Livermore Boy Scout Troops were awarded a red, white and blue ribbon upon which was printed "President Roosevelt's Award."

The ribbons were given by President Roosevelt to all troops which increased troop membership twenty-five per cent during the past year.

SCOUTMASTERS ARE TAKING COURSE IN CAMPING

George Rankin, of Sunol, V. Bernard Johnson, of Pleasanton, and J. Hill, of Livermore, are going to Diamond Camp every other Sunday to take a troop camping technique course which is being given by Jean Bell, scout executive.

The purpose of the course is to equip the scoutmasters to take their troops out on camping trips. All three men are scoutmasters of troops of their respective towns.

PROGRESSIVES TO PLAY STARS SUNDAY

On Sunday, March 4th, one of the best girls' ball games for the season will be played. The San Jose teams have tried to defeat the Progressives but have not succeeded as yet; they are going to pick out nine of the very best players in San Jose to play the Progressive Optical System.

The lineup for the Progressives:

Adeline Souza, 2b; Irene Muniz, ss; Tillie Silva, 1b; Delinda Pimentel, lf; Irma Dutra, p; Elva Santos, 3b; Mildred Simpson, c; Mildred Nevis, cf; Thelma Roderick, rf. Sub. Evelyn Bettencourt, Elsie Souza, Hazel Mendoza.

The game is to be played at Irvington at 2 o'clock. A large crowd from San Jose is expected.

Miss Annie Bettencourt is spending a week in Oakdale.

Freddie Calderia and Arthur Duarte, of Centerville, spent the week-end with Oliver Campos.

Adeline Amaral, Stella Vargas, Jimmie Damas, and Joe Amaral, motored to Gilroy last Thursday and visited with Mr. and Mrs. Henry Enos and Mr. and Mrs. Faria and family, of Berryessa.

Louis Dutra spent last Thursday in Daily City with relatives.

Mr. and Mrs. Joe Lemos and daughter, of Santa Clara, visited Irvington on Sunday with Mrs. Isabelle Dutra.

Mr. and Mrs. Slater and daughter, Jeanne, of Oakland, visited in Irvington with friends last Thursday.

Joseph Soares was recently confined to his bed for several days with a bad cold.

Henry E. Walsh, of San Jose, visited on his Irvington ranch Sunday.

Paul De Leon visited in Irvington Sunday.

Tony Avelino spent several days in Los Gatos recently with Mr. and Mrs. August Silveria.

Frank A. Leal has recovered from a recent illness.

Joseph Nunes, who is employed in Santa Barbara, visited with his parents Sunday.

Allen Caldeira, of Centerville, was a visitor in Irving on Monday.

Cowl lamps usually are used only for parking. To make them most efficient, according to L. G. Evans, director of Roadside Service of the National Automobile Club, the motorist should see to it that they are properly aimed. They are subject to loosening up, sometimes very quickly.

CHECK ON COWL LAMPS

When having the hydraulic shock absorbers refilled with liquid, whatever the variety, the motorist will find it pays to have the spring shackles and clips attended to at the same time, states L. G. Evans, director of Roadside Service of the National Automobile Club. It brings the whole system up to its best comfort-giving level.

The shaft or gears at the bottom of the steering post upon which the hand throttle moves will be helped by an occasional oiling, remarks L. G. Evans, Director of Roadside Service, National Automobile Club. It is seldom that the average driver remembers to lubricate them.

A Service Willingly Given

Think on the value of your local newspaper

The dissemination of news by word of mouth is slow and inaccurate. Historical accounts have given us innumerable instances where the knowledge of a few vital facts may have greatly altered the trend of political and social events. One great, fearless, newspaper could have prevented the world war.

Means of communication, in keeping pace with the increased bustle of modern life, have become one of the most vital factors in business, but business is only one of the things served. Modern advertising and the diffusion of news have done away with the pastoral fringe. The city dweller is no better informed than his country cousin. In times of danger, an hundred Paul Reveres, no matter how picturesque and energetic, could neither warn nor advise as effectively as a single well read newspaper.

Rural newspapers play a part in community life fully as vital as that played by the rural courts, or by the corner grocery. The local newspaper's purpose is to carry local news, news that would otherwise be lost. Community organizations, business houses, merchants, and industries need the rural press. IT IS THE ONLY MEDIUM THROUGH WHICH THEY ARE HEARD. It is their messenger, where none other would serve.

In addition to its service within the community, the rural newspaper is the unifying link with which districts are united. A keen observer will have noticed the "clippings" from the local papers in the large metropolitan dailies. The home paper is the "correspondent" for the community.

Support your home paper. It serves a particular end, and its service cannot be duplicated.

THE Newark Register

By Miss Patricia Barton

CHURCH SERVICES

Services for the first Friday of the month will be held in St. Edward's church, beginning at 7 o'clock on the Friday morning of this week. Evening services will begin at 8:00 o'clock.

OFFICERS ELECTED

The Improvement Club met at Mrs. Eva Steinhoff's Tuesday night. An election of officers was held at the last meeting. Mrs. Bertclatti was elected president; Mrs. Elvy Wyatt, vice president; Mrs. J. R. Trescott, re-elected secretary; and Mrs. Dora Fuller, treasurer.

DANCING PARTY

The Misses Elizabeth Laudenslager and Judith Gronley, of Centerville, entertained the following at a party in the Laudenslager home Saturday night: Lorene Kerns and Malba Gazzola, of Niles; Gordon Pond, of Irvington; John Gravley, of Centerville; Lucille and Paul Gyax, Marie Imhoff, Helen Barton, Jennie and Lillian Hoffman, all of Newark.

NEWARK RAIN HEAVY

Practically an inch of rain fell in Newark between Sunday noon and daylight Monday morning. In a number of places the fields were flooded. Although crops are looking fine in the district, the normal rainfall has not been reached.

PLANS LAID

The C. M. Sodality, of Newark, held a meeting in the Catholic church Sunday morning. Plans for a whist party to be given in connection with the Alvarado children of Mary Sodality during the first week of April, were begun.

The Misses Jennie and Lillian Hoffman and Helen Bartol, with Rita Rosa, Roselle Vierra and Marie Vierra, of Hayward, attended a dance in Oakland Sunday night.

Louis Ruschin, Jr., of Stanford University, spent the week-end at his home in Newark.

Mrs. H. Nunes who recently underwent an operation in the Highland hospital returned to her home Saturday. She is improving rapidly.

CHURCHWOMEN THANK THOSE WHO AIDED IN PROGRAM

The church women's Association of the Irvington Community church are deeply grateful for the generous assistance given to them in their efforts to obtain funds for the building of a hall for the social activities of the church, and take this opportunity of extending their thanks.

They wish, first of all, to express their appreciation and thanks to Mrs. Barton L. Webb and S. Bellei for their generous services in arranging the very interesting program given in the high school auditorium February 20th.

They also wish to express their deep appreciation and thanks to all those who contributed to this program.

To Mrs. Howard Chadbourne, Mrs. C. E. Anderson, Mrs. George Coit, Mrs. F. T. Dusterberry and Mrs. Thomas Maloney of the Country Club Dramatic Section.

To Miss Bernice Weber, Miss Claire Musick, and Miss Barbara Strube and Joe Hernandez and Leonard Brown of the high school dramatic classes as well as all the members of the high school orchestra.

To Messrs. F. Blacow, R. Grace, T. Norvick and S. Bellei of the Township Men's Quartet.

To all those who so graciously contributed to the stage properties.

To the trustees of the high school for the use of the high school auditorium.

To A. J. Rathbone and others of the faculty, who gave generous assistance; and last, but not least to the generous support given by the newspapers and other local institutions.

The association wishes to announce also that the financial returns were most gratifying.

Tony Lucas was an Oakland visitor Monday afternoon.

NILES LEADING 6 TO 4 WHEN RAIN HALTS SUNDAY GAME

Jupiter Pluvius arrayed himself against the Niles C. of C's. Sunday afternoon on the Niles grammar school diamond and saved the Ramos Real Estate team from what gave promise of being a decided defeat.

Called in the fifth inning on account of the downpour, the game ended with the score reading 6 to 4 in favor of the Niles team.

Starting again on the mound for Niles, Ray Duarte held the Hayward boys to four hits and four runs in five innings. Tony Duarte, Ray's brother, chased in four of Niles five runs with two timely doubles. His hitting was equalled only by that of Wes Raso, diminutive blond shortstop who collected two hits in three times at bat. Arnold Bellini, Niles right fielder saved a run at one stage of the game by making a Houdini catch of a hard fly ball.

Sunday the Niles boys play the Renzo Grocery team, from San Jose. The game was previously scheduled for last Thursday but was postponed because of inclement weather.

Box score for Sunday's game:

FIREMEN BEATEN 14-5 SUNDAY BY GARINS

Another impromptu baseball game ended in disaster for the Niles Firemen Sunday morning at the Niles grammar school grounds when the H. P. Garin team piled up a tally of fourteen runs. The Firemen collected five.

Holding the Garin crew to seven runs until the last inning, the Firemen found it necessary to shift the lineup when a number of their players had to depart for home. The changed team seemed to be meat for the Garins who chalked up seven runs in the last inning.

Lawrence Avila and Arnold Bellini, pitchers for the Firemen, had a great deal of difficulty with the opposing batters.

Niles lineup was: Robello, c; Avila, p; Miller, lb; T. Duarte, 2b; Joe Perry, 3b; Joe Machado, ss; W. Mendoza, cf; R. Quartrali, rf; A. Bellini, lf.

Swainsons Introducing New Permanent Waving

Mr. and Mrs. Owen Swainson, beauty experts, spent Monday in San Francisco demonstrating the Intra Thermal Method of permanent waving. Progressive in their methods and modern in their technique, the Swainsons are the first to demonstrate and use this new method west of Chicago. They became acquainted with the new process when they were in New York several months ago, on a demonstration tour.

A display ad, telling of the new method is on another page in this issue.

Toyon Branch Discusses Spring Activity Plans

Plans for spring activities of the Toyon Branch of the Children's Hospital of Alameda county were discussed Monday afternoon at a luncheon at the home of Mrs. J. R. Whipple, when the group held their regular meeting.

Mrs. Whipple and Mrs. Rosalie Donovan were hostesses. The time was spent in the compilation of scrapbooks for the small inmates of the hospital.

The members who attended were: Mrs. J. E. Thane, Mrs. August May, Mrs. W. Robie, Mrs. J. C. Shinn, Sr., Mrs. J. C. Shinn, Jr., Mrs. Lawrence Bunting, Mrs. W. E. Kirk, Mrs. Rosalie Donovan and Mrs. J. R. Whipple. Refreshments were served.

Niles To Be On Route Of S. F.-Chicago Line

This spring will see Niles one of the towns on a new through passenger route from San Francisco to Chicago, when the Dotero cutoff, constructed to make operative the famous Moffat tunnel, will be completed.

For the first time, according to the Literary Digest, Denver will be on the main line of a direct run from Chicago to San Francisco.

The Western Pacific line, through the Burlington, will operate the new line. The Aristocrat, Burlington's through train will begin the new run in June, the article stated.

Mrs. Marino Iacopi, of San Francisco, and her small son, are spending a few days with Mrs. Iacopi's parents, Mr. and Mrs. A. Garcia.

S. P. TO AIR-CONDITION CARS ON CRACK TRAINS

WORLD'S FAIR WILL RE-OPEN THIS SUMMER

The Century of Progress Exposition in Chicago last summer was the biggest ever held in these United States. More than 22,000,000 people saw it.

SUMMER FARES BACK EAST REDUCED

Reduced roundtrip fares to eastern cities will be in effect this summer starting May 15. They will be lower than those in effect last summer and will have season return limits. The total cost of a trip will be a lot lower, as Pullman charges have been greatly reduced.

The summer roundtrips to Chicago from most California points will be—\$46, good in all types of accommodations; \$68.80, good in Tourist Pullmans; \$57.35, good in coaches and chair cars. Similar rates to all eastern cities.

Observation, Club, Dining, Lounge And Room Cars Included in Program

IT'S a big job. It takes lots of time and money. But by this summer, club cars, lounge cars, dining cars, observation cars and room cars will be air-conditioned on our leading trains.

Overland Limited... the fastest, finest train from Northern California to Chicago. "The train that goes to sea" across Great Salt Lake.

Sunset Limited... the distinguished train that speeds from San Francisco to New Orleans will carry air-conditioned cars between Los Angeles and New Orleans.

The Cascade... which connects San Francisco with Portland via the scenic Shasta Route.

Golden State Limited... the luxurious train that joins Los Angeles with Chicago, via El Paso and Kansas City.

Air-conditioned cars manufacture their own climate. Passengers are insulated from heat, cold, dust and noise. There will be no charge to ride in these cars except the usual rail and Pullman fares. There is no extra fare on any Southern Pacific train.

REPORTS SHOW TRAIN TRAVEL 'ON THE UP'

More people are riding trains. More people are buying Pullman space. These are the encouraging conclusions from our January revenue reports. Swiftly the word is spreading: Rail fares are 24 a mile and less. Pullman charges have been cut one-third everywhere in the West.

Even if you have an automobile, there are many trips you can make more economically by train, and more comfortably, too.

Roundtrips Reduced

Roundtrips for less than 24 a mile are now in effect on Southern Pacific. They are good in coaches and chair cars, also in Tourist Pullmans (plus berth). Examples:

	One Way	Roundtrip
To San Francisco	.60	\$ 1.08
Los Angeles	1.00	1.80
Fresno	.30	.54
Sacramento	.27	.48

(Fares good in Standard Pullmans are slightly higher.)

NEW BOOKLET ON MEXICO

A young man went to Mexico this year. He wrote a breezy, informal account of his trip. If you would enjoy reading what an average tourist saw and did in Mexico, ask any S. P. agent for the booklet, "I've Been to Mexico." Or write F. S. McGinnis, 65 Market St., San Francisco.

Mexico City is only four days from San Francisco and three days from Los Angeles, via our scenic West Coast Route (through Pullman service from Los Angeles). Roundtrips are low now. After May 15, the rate will be \$86 from most California points to Mexico City and back.
